WEATHER IN AUGUST:

August, the last month of the summer in Tunis, is another hot month, with an average temperature fluctuating between 30°C (86°F) and 40°C (104°F).

CLOTHES FOR HOT WEATHER IN TUNISIA:

Dressing in hot weather can be challenging. The goal is to stay cool as possible, get protected from the sun, and feel comfortable. The best clothes for hot weather are light-colored, loosely fit, and made of cool materials like cotton, jersey, and linen.

We recommend that you bring a cream or ointment anti mosquitos as they are very common in Tunis in August.

EMERGENCY NUMBERS

MEDICAL EMERGENCIES: **190**

Medical emergencies often occur and cause a considerable amount of distress to anyone involved. In situations that would require emergency medical assistance, as well as ambulance transportation, you may dial 190 from any mobile phone in Tunisia.

POLICE ASSISTANCE: **197**

If you feel that your safety is threatened, or if you would like to report suspicious activity, you may call 197 for police assistance.

In case of emergencies you can contact Mohamed Naski for more information:
